Marine Structures for a New Tower Crane

The Paducah-McCracken County Riverport Authority, has recommended Aquarius Marine, LLC, a wholly owned subsidiary of C.J. Mahan Construction Company, LLC, be awarded the project for the construction of Marine Structures for a New Tower Crane.

The work includes the construction of a 36' diameter cell to support a new tower crane at the Paducah Riverport, on the Ohio River in Paducah, Kentucky.

The project bid on April 16, 2013 with an original contract value of \$1,515,700.00.
