Montgomery Lock and Dam Gate Installation

**US Army Corps
of Engineers®**

C.J. Mahan Construction Company, LLC is pleased to announce that they will again be working alongside the U.S. Army Corps of Engineers, Pittsburgh District at Montgomery Lock and Dam on the Ohio River in Monaca, Pennsylvania. Mahan has been issued a contract for the removal of lift gates 2 and 3 and associated components, Pier 2, Pier 3, and Pier 4 machinery housing modifications, Pier 2, Pier 3, and Pier 4 track and sill modifications, miscellaneous pier concrete repairs, installation of new Government-Furnished dam Lift Gates 2 and 3 including Gates 2 and 3, including associated lift chains and drive sprockets, as well as repair and re-lubrication of the gate lifting equipment. Mahan is currently on-site performing a similar scope of work on gates 6, 7, and 8.
