Smithfield Farmland Packing Facility Precast Roof  
Replacement

**Smithfield**<sup>®</sup>

*Good food. Responsibly.*<sup>®</sup>

Working as a subcontractor to Prestress Services Industries, LLC (PSI), C.J. Mahan Construction Company, LLC (Mahan) was awarded a nearly \$314,000 contract to replace 30 precast roof panels at Smithfield Farmland's Packing Facility in Grayson, Kentucky. The panels range in weight from 13,378 pounds to 18,176 pounds and will be removed and replaced in 2-weeks, with work scheduled to commence on December 27, 2017.

PSI will be responsible for fabricating the new precast Double-T roof panels.
